Dear Robert,

Greetings of the Season

Hope all's well, & that the New Year
brings every happiness. Things OK with
us — work, school, house keeping us
busy. (Pretty near finished — hope you'll
come visit/to party.) love, Carol & Zack

Carol worked at AMACOM when I worked
there many many years ago. She &
Sheryl Gross are good friends. During a
trip to NYC last year (perhaps earlier
this year) Sheryl and I went to
15 Third Street and visited Carol &
Zack. Carol is the art Director at
AMACOM; Zack is a playwright/NYC executive.
Carol is very art-directed and interesting;
Zack is rather dull.
